\***Flying** to Lugano is challenging. It is easier to fly to Milan and take the airport bus directly to the train station in Lugano. Both hotels and the school are minutes (walking) from the station. Coming from within Switzerland, the train is your best choice. The train is the best option for those flying in to airports other than Milan. [www.sbb.ch](http://www.sbb.ch) is the Swiss train site and is available in several languages including English.

\*The **course fee** is 500 Swiss Francs. The fee will be collected (in Swiss francs/chf) at the first session. (Housing and food are not included in the course fee). Private lessons with any instructor are available at the rate of 120chf for one hour/70chf for a half hour.
